

Remarks

Claim 21 has been cancelled without prejudice, and claims 20 and 54 have been amended. Specifically, claims 20 and 54 have been amended to recite the presence of both the second (previously third) and fourth primers. Descriptive support for the second and fourth primers as claimed is found in Figures 1 and 2. Claims 20, 22, and 54-59 are pending.

The amendment to the drawings is made to replace sheet 4/18 with a clean and enlarged version of Figure 4. No new matter is being entered.

In response to the written restriction requirement, applicants hereby elect Group II (i.e., claims 54-59) with traverse. Specifically, applicants request reconsideration and withdrawal of the restriction in view of the accompanying amendments.

Respectfully submitted,

Date: November 8, 2006
